

Rye Brook Youth Soccer Club

Before the season starts, we wanted to update everyone in the program on RBYS's new Commitment Policy going forward.

Rye Brook Youth Soccer Commitment Policy

- **Attendance** will be taken at **ALL** practices and games by the Red Bull Trainers and coaches
- If a player cannot be at practice or a game, they are required to notify their coaches and/or team manager in advance
- Games and practices are played in bad weather. Games are played on Mother's Day, Father's Day and other holidays
- Players are expected to show up at **ALL** practices and games unless there is an illness, important family commitment, school or religious requirement
- ****A player's attendance record** will be taken into consideration when the team selection process occurs. Absences in general and multiple absences within the defined allowable absences criteria stated above will also factor into a player's evaluation at the end of the year
- Specific team policy on **Commitment** and **Absences** will be communicated by the coaches
- Team policy is expected to be administered equally and consistently amongst players
- A player who accepts a roster spot on any team is pledging his or her commitment to the policy outlined above for the entire season (year)

We look forward to a great soccer season!
